Do you want to encourage your co-workers to participate in sports together while promoting your corporate social responsibility? Download our Work’N Sport App and join the first corporate multi-sports connected and charity challenge!

- VARIOUS KEY BENEFITS FOR YOUR COMPANY AND YOUR CO-WORKERS -

HEALTH

- Well-being
- Fulfillment
- Stress reduction

FRIENDLINESS

- Team building
- Mutual assistance & incentive
- Pride of belonging

SELF-TRANSCENDENCE

- Fun competition
- Progression & achievement
- Rankings between companies and within each company

“Sedentary corporate employees who start participating in physical activities and sports improve their productivity from 6% to 9%” according to a survey run by Goodwill Management consulting group on behalf of the French National Olympic Committee.

“Thanks to employees who regularly participate in physical activities and sports, the national health insurance saves 7 to 9%. Each employee reduces their personal health expenditure by 5 to 7% a year [...] while increasing their life expectancy by 3 years” according to the same survey.

- HOW DOES IT WORK ? -

1. **Register on our website for each team of three people and download the two free Apps Work'N Sport and Moves.**

Developed by Facebook, the MOVES App is used everyday by millions of people. It enables people to follow their physical and sporting activities. After approval from each participant, the Work'N Sport App collects the data generated by MOVES and generates various rankings for each company and team. Of course, we ensure confidentiality of personal data.

2. **Encourage your co-workers to participate in physical and sporting activities more often in order to stay in good health all year long.**

Walk while at work or in the mountains, run sometimes or every day, hire a bike or ride in a competition... More than 30 sports enable people to accumulate points for their team and their company according to a single rule: 1 calorie = 1 point! No matter how much you sport you do, Work'N Sport is for everyone.

3. **Motivate your co-workers to challenge themselves in order to win the titles of the sportiest company and team!**

Thanks to different corporate, national and world rankings, people will be able to compare their activity to all other participants and follow their progress over time by moving up from one league to another

Work'N Sport Charity Work'N Sport refunds 5% of all registration fees to the NGO Handicap International.

THE CORPORATE DIVISIONS

Your corporate division will depend on the total number of teams your company registers for the challenge.

Division 1: from 1 to 9 teams

Division 2: from 10 to 19 teams

Division 3: from 20 to 39 teams

Division 4: from 40 to 59 teams

Division 5: from 60 to 89 teams

Division 6: from 90 to 139 teams

Division 7: from 140 to 299 teams

Division 8: over 300 teams

THE SPORT LEAGUES

The sporty league of your team depends on your total number of points over the last previous month. The more physical and sporting activities you do, the more you progress in the leagues.

Discovery league: from 0 to 4,500 points per month for the team

Bronze league: from 4,501 to 9,000 points per month for the team

Silver league: from 9,001 to 13,500 points per month for the team

Silver-gilt league: from 13,501 to 18,000 points per month for the team

Gold league: from 18,001 to 22,500 points per month for the team

Platinum league: from 22,501 to 27,000 points per month for the team

Master league: from 27,001 to 31,500 points per month for the team

Great Master league: more than 31,500 points per month for the team
